  [http://spcguide.libguides.com/plagiarism](http://spcguide.libguides.com/plagiarism)

- **Copyright Workshop** (Students & Faculty)
  [http://spcguide.libguides.com/copyright](http://spcguide.libguides.com/copyright)

- **Electronic Books for the Health Sciences Workshop** (Faculty)
Some Final Tips…

- Start with faculty with whom you are already comfortable working
- Ask for syllabi, learning objectives, and assignments
- Show faculty how LibGuides can save them time and energize their students
Some Final Tips…

- Ask for faculty feedback and suggestions for improvement
- Get your fellow librarians on board
