# Sociology Research Paper

Write a 5 page research paper on a topic of your choice covered in the textbook. Your references must include a popular article and a scholarly article. Make sure you include a proper APA citation for the articles, and properly reference the articles in your paper if you use any quoting, paraphrasing or summarizing of the text. Make sure your paper has a properly formatted APA title page. This assignment is due by the beginning of class, Week 6.

# Sociology Research Paper

## Ingredients

Topic

Popular Article

Scholarly Article

Proper APA Format

**Ingredients** are the required materials, resources or formats needed to complete the assignment

**Preparation** includes the research, writing and presentation processes that need to be accomplished to successfully complete the assignment.

## Preparation

Students select their own topic for a 5 page research paper using the textbook as a guide. References must include a popular article and a scholarly article. Paper needs to be in proper APA format, including title page and in-text citations. Students need to be mindful of proper quoting, paraphrasing or summarizing of the text.

## SOC 2001

This guide is designed to assist students in SOC 2001 with their research paper assignment.

### Databases

- [JSTOR \(Arts & Sciences I, II, III, IV, V, VI and VII Collections\)](#) ⓘ  
Provides image and full-text online access to back issues of selected scholarly journals in history, economics, political science, demography, mathematics, and other fields of the humanities and social sciences. WSU currently subscribes to the Arts and Sciences I, II, III, IV and VII Collections.
- [ProQuest Research Library](#) ⓘ  
Includes citations and articles - many full text - on a broad range of topics including arts, business, education, general interest, health, humanities, international, law, multicultural, psychology, sciences, social sciences, and women's interests from a mix of scholarly journals, trade publications, magazines, and newspapers.
- [ScienceDirect](#) ⓘ  
A Web database for scientific research that contains abstracts and the full text of more than 1000 Elsevier Science journals in the life, physical, medical, technical, and social sciences.
- [Sociological Abstracts](#) ⓘ  
CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences. The database provides abstracts of journal articles and citations to book reviews drawn from over 1,809 serials publications, and also provides abstracts of books, book chapters, dissertations, and conference papers. Records added since 1963 contain in-depth and nonevaluative abstracts of journal articles.
- [Web of Science](#) ⓘ  
Online version of the ISI indexes: Science Citation Index Expanded and Social Sciences Citation Index from 1975-. A search can be limited to one index (i.e. Science Citation Index OR Social Science Citation Index).
