Adding Rubrics to Assignments

For Residential/Online Use Only

1. Click on Course Content.
2. Open the appropriate module, or course location.
   Note: Navigate to the Assignments folder if you have one.

3. Click Create Assessment and click Assignment.
   Note: You may also edit and attach a rubric to an existing assignment.
4. Provide a name.

5. Click Add Rubric and then click Select Rubric, if you have one created.

For Residential/Online Use Only
6. Select the desired rubric and click Submit.
7. Click OK.

8. Click the chevron (        ) under Show Rubric to Students and then select Yes (With Rubric Scores).
9. Click Submit.
