

Citation worksheet

Once you have found an article that looks helpful to you, you need to be able to identify important pieces of information. These important pieces together make up the **citation**.

List the **article** title: \_\_\_\_\_

What is the **source** of this article (name of journal, newspaper, magazine, etc.):

\_\_\_\_\_

List the author(s): \_\_\_\_\_

Is the author a person or an organization? (Circle one)

Is there a volume and issue number? (**yes/ no**) If yes, write them here: \_\_\_\_\_

What year was this written? \_\_\_\_\_

Why do you think it is important to identify all of these pieces of information? (You may write on the back if you need more space.)
