

Inquiry Generating and Evaluation Worksheet

The writing process is a conversation with your research materials. Think about these questions each time you choose an article or book or any source for your project. Answer these questions and you have begun to complete your project. We call this **Evaluation**.

Start with an article you have already found.

Why did you choose this article to include in your project?

Does the author have a **bias** (a strong point of view)? (Circle one) Yes/ No

If yes, do you agree or disagree with the author's point of view?

Do you trust the author of this article? (Circle one) Yes/ No

WORKSHEET CONTINUES ON BACK

Inquiry Generating and Evaluation Worksheet

Why do you trust the author? Or why not?

The articles and books you read will prompt you to think of more questions. Read your article you have already found. Answer these questions below:

Will this reading change how you to do your research? How?

What do you think is most interesting about this reading?
