Getting Carded: Threshold Concepts in One-shot Sessions

TL;DR
One tool, three exercises, go home with a new instruction plan.
Session Outcomes

• Be able to construct your own customized Source Deck.

• Identify 3+ instructional situations where the Source Deck can be used.

• Leave the session ready to implement 3 different activities in your personal instruction.
Publication Timeline
understanding information
MAGAZINES
JOURNAL ARTICLES
REFERENCE MATERIALS
• What type of source is this? (Popular/scholarly? Primary/secondary? Newspaper/book?)

• How would you use this in a paper? (Background? Example/Quote? Argument? Theory/Method/Framework?)

• Where would you find/locate it?

• Would you feel comfortable using it as a source in your paper?
Session Outcomes

• Be able to construct your own customized Source Deck.

• Identify 3+ instructional situations where the Source Deck can be used.

• Leave the session ready to implement 3 different activities in your personal instruction.
